

Dezso Sera received his B.Sc. and M.Sc. degrees in Electrical Engineering from the Technical University of Cluj, Romania in 2001 and 2002, respectively.

In 2005, he graduated from the M.Sc. program at Aalborg University, Denmark, in the Department of Energy Technology (DET) and in 2008 he received his PhD degree from the same department. His main interest area is Photovoltaic energy generation, particularly modeling, diagnostics, MPPT, and control structures for PV systems.

Since 2008 he has been an Assistant Professor in DET, and since 2009 has been the coordinator of the Photovoltaic Systems and Micro Grids Research Group at the same department.
